For example candidates possessing qualifying experience amounting to 50% of the required time of pattern I, and additional experience amounting to 50% of the required time of pattern II, may be admitted to an examination as meeting 100% of the overall experience requirements.

Education: Equivalent to graduation from college with major work in geology, engineering geology, or in a closely related field that includes coursework in geology. (Additional qualifying experience may be substituted for the required education on a year-for-year basis.) [Registration as a senior in a recognized institution will admit applicants to the Engineering Geologist examination, but they must produce evidence of graduation or its equivalent before they can be considered for appointment.] and

Either I

Experience: Two years of experience performing the duties of an Engineering Geologist, Range D, in the California state service.

Or II

Experience: Five years of professional engineering geological experience

involving the performance of increasingly responsible duties, at least two years of which shall have been comparable in level and responsibility to an Engineering Geologist, Range D, in the California state service. (A master's degree with major work in geology or engineering geology may be substituted for one year of the required experience. Possession of a doctorate degree in one of the fields identified above may be substituted for two years of the general experience.)

Possession of a valid certificate of registration as a geologist or geophysicist issued by the California Board of Geologists and Geophysicists is required for appointment to the Senior Engineering Geologist level and above.

ADDITIONAL DESIRABLE QUALIFICATIONS: Course work in engineering geology; willingness to travel in performing field work throughout the State; course work and/or experience in environmental engineering, water resource management, hydraulics, and/or hydrogeology; and in addition to registration as a geologist, certification as an engineering geologist or hydrogeologist.

THE POSITION
A Senior Engineering Geologist supervises a unit in a Division at the State Board or a unit at a Regional Board. Under general direction, the Senior Engineering Geologist plans, organizes, directs and reviews the work of engineering geologists, environmental and engineering work associated with surface and subsurface investigations, hydrogeology, groundwater remediation, and the siting, design, and operation of disposal sites or waste discharge to land; interprets and applies State and Federal laws and regulations, and policies and requirements of the State Board and Regional Boards; independently performs complex engineering geological work. The Senior level is the first level to which supervisory and administrative responsibilities are assigned.

Veterans preference credit is not granted in promotional examinations

STATE WATER RESOURCES CONTROL BOARD/REGIONAL WATER QUALITY CONTROL BOARDS

GENERAL INFORMATION

For an examination with an oral interview feature it is the candidate's responsibility to contact the State Water Resources Control Board Personnel Office (916) 341-5127 three weeks after the final filing date if he/she has not received a progress notice.

For an examination with a written test feature, it is the candidate's responsibility to contact the State Water Resources Control Board three days prior to the written test date if he/she has not received a notice.

If a candidate's notice of oral interview or written test fails to reach him/her prior to the day of the interview or test due to a verified postal error, he/she will be rescheduled upon written request.

Applications are available at State Personnel Board offices, local offices of the Employment Development Department and the State Water Resources Control Board.

If you meet the civil service requirements for admittance to the examination, which are stated on the reverse, you will be scheduled for the examination. Possession of the entrance requirements does not assure a place on the eligible list. The examination is competitive and your performance in the examination will be compared with the performance of the others who take this test. All candidates who pass will be ranked according to their scores.

The State Water Resources Control Board reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

Examination Locations:

When a written test is part of the examination, it will be given in such places in California as the number of candidates and conditions warrant. Ordinarily, oral interviews are scheduled in Sacramento, Oakland, and Los Angeles. However, locations of interviews may be limited or extended as conditions warrant.

Eligible Lists:

Eligible lists are established by competitive examination; and regardless of date, must be used in the following order:

- | | |
|------------------------------|----------------------------|
| 1. Subdivisional promotional | 4. Servicewide promotional |
| 2. Departmental promotional | 5. Departmental open |
| 3. Multidepartmental | 6. Open |

When there are two lists of the same kind, the older must be used first. Eligible lists will expire in one to four years.

Promotional Examinations Only:

Competition is limited to employees who have a permanent civil service appointment. Under certain circumstances other employees may be allowed to compete under provisions of Rule 234, 235, and 235.2. State Personnel Board Rules 233, 234, 235, 235.2 and 237 contain provisions regarding civil service status and eligibility for promotional examinations. These rules may be reviewed at departmental personnel offices or the Information Counter of the State Personnel Board offices.

General Qualifications:

Candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, and ability to work cooperatively with others; and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required.

Interview Scope:

In addition to the scope described on the other side of this bulletin, the panel will consider your education and experience, your personal development, your presentation to the panel, and your overall competitiveness in relation to the entire candidate group. In appraising experience, more weight will be given to the breadth and recency of pertinent experience and evidence of the candidate's ability to accept and fulfill increasing responsibilities, than to the length of his/her experience. Evaluation of the candidate's personal development will include consideration of his/her training needs; his/her plans for self-development; and the progress he/she has made in his/her efforts toward self-development.

Veterans Preference:

California law allows granting of veterans preference points in open entrance examinations and open promotional examinations. Credit in open entrance examinations is granted as follows: 10 points for veterans, widows and widowers of veterans, and spouses of 100% disabled veterans; and 15 points for disabled veterans. Credit in open nonpromotional examinations is granted as follows: 5 points for veterans; and 10 points for disabled veterans. **Due to changes in the law, which were effective August 21, 1994, both disabled and non-disabled veterans must reapply even if you have previously established your veteran's eligibility with the State Personnel Board.** Directions for applying for veterans preference points are on the Veteran Preference Application form (Form 1093) which is available from State Personnel Board Offices, written test proctors, and the Department of Veterans Affairs, P.O. Box 942895, Sacramento, CA 94295-0001.

High School Equivalence:

Equivalence to completion of the 12th grade may be demonstrated in any one of the following ways:

1. Passing the General Education Development (GED) Test
2. Completion of 12 semester units of college-level work
3. Certification from the State Department of Education, a local school board, or high school authorities that the candidate is considered to have education equivalent to graduation from high school.
4. For clerical accounting classes, substitution of business college work in place of high school on a year-for-year basis.
